Spring Term - Newsletter 9

Friday 10th March 2017

Dear Parents/Carers,

Welcome - At the last Local Governing Body meeting we welcomed Sarah Sewell (parent of Georgia and Grace in Class 3) as our new parent Governor who will be a valuable addition to the team. We still have one parent Governor vacancy, so if you would like to find out more please make an appointment through the school office to have an informal chat to Pat Lewis-Badgett, our Chair of Governors.

Friends' Meeting - Following on from the success of the Jumble Sale the Friends are now looking ahead to their next fundraising event: The Duck Race. There will be a Friends' Meeting at the school next Tuesday 14th March at 6.30pm. All are welcome to attend.

Mother's Day Service - Last week a letter went out to all pupils from Mrs Woodford regarding the Mother's Day Service at the Church. The service last year was very special and we hope that you will be able to join us this year. If your child would like to take part make sure that the permission slips are returned to school by next Monday.

Jokes - Thank you for the hilarious jokes that have been coming in. The children are now ready to compile the joke book ready for Comic Relief day.

Football Matches - We wish our football team success as they have their next two matches of the Kenway Cup Football Tournament coming up.

Digital Parenting Magazine - Your child has been given a free magazine this week to bring home for you. Inside you will find lots of useful information about using technology safely.

Good Work Assembly - We had a great Good Work Assembly this week which was led by Fenton and Jake A.

The theme of the assembly was the school's values, following our Values Week which took place last week.

The children in Sails class learnt actions that helped them to remember the six values and they demonstrated them for us.

The children in the Boats class shared their work on Peace and Forgiveness.

Class 3 told us about Respect and Fairness and acted out different scenarios to illustrate these values.

The last two values of Love and Joy were explained by Class 4. Jake ended the worship by reading the prayer that he had written.

We also celebrated other achievements. This included Ayla and Callum achieving 100 smileys, Alyssa, Georgia and Jaxon completing their times table challenges and the ukulele extension group for completing their musicianship programme - Edward, Fenton, Tom, Brandon, Bethany and Amber. Outside school, Theo, Harvey, Zoe, Ayla and Courtney shared their swimming achievements, Theo achieved player of the week for in his Rugby club and William C. was player of the match for his football team. Finally, a certificate for raising £200.20 for the Ronald McDonald House was presented to the school and also to Eva for organising the event. Well done everyone!

Dates - Attached you will find dates for the rest of the term.

Yours sincerely,

Mrs Claire Staple
