Spring Term - Newsletter 2

Friday 13th January 2017

Dear Parents/Carers,

My Maths - We have had some feedback from parents that they are finding it difficult to access 'My Maths' because of 'Flash'. We have been advised by the 'My Maths' support team that they are currently working hard on a solution to update 'My Maths' and come away from 'Flash' to ensure that the site is fully accessible across all browsers and devices. In the meantime we have been advised that the 'My Maths' programme is accessible through an app called Puffin Academy and is available to download for free in iTunes and Android.

Dates for the term - At the end of this newsletter you will find dates for the term. We try and send out reminder texts to your mobile phone nearer the time although this isn't always possible, so please keep the dates safe. Please note that these dates could be subject to change and will be updated regularly, with new events added, in future newsletters.

Happy Birthday! - Local Food Links, who supply our delicious hot meals, are celebrating their 10th Birthday. As a gift Local Food Links has supplied a 10th Birthday Celebration Recipe for each child which they will be receiving today. Happy cooking!

After School Clubs - Thank you for returning the after school clubs nomination forms. We are now full for the Lego and Football clubs, but there are still spaces in the Drama Club and the Digital Photography Archaeology Club. If your child is interested in attending either of these please pick up a form from Mrs Barrett.

Yours sincerely,

Mrs Claire Staple
Headteacher
