

School Games

We are delighted to inform you that at the end of the Summer Term our application to the School Games resulted in the school achieving the Silver Games Mark for the fourth year running. I am extremely proud of the pupils and staff for their commitment to sport and keeping active, and especially grateful to our School Sports Ambassadors for leading this initiative in the last year.

Foundation Stage Unit

Following a consultation we applied to the Department of Education to change our admission age to include pre-school children. We have recently been informed that this has been agreed from January 2019. This is excellent news and will be a wonderful addition to our already amazing Reception class. In the first instance we shall be accepting pupils in the term following their fourth birthday with a maximum of six pre-school children in each session, ensuring that our Foundation Stage Unit remains small with classes no bigger than 16 at a time. Mrs Procter and Mrs Matthews have been preparing for this news and are all set to go. Therefore if you know anyone with pre-school pupils who may be interested in joining our Foundation Stage Unit in 2019 then please encourage them to get in touch!

New Curriculum

Please find attached the Parent/Carer information sheet for each class. These explain what each class will be covering within their lessons this half term, under the umbrella of the following topics:

Wagtail Class (Reception) - Why do you love me so much?

Robin Class (Year 1 and 2) - Splendid Skies

Kingfisher Class (Year 3 and 4) -

Tribal Tales

Owl Class (Year 5 and 6) -

Stargazers

Welcome meetings

We hope that you found these meetings informative and we look forward to working with you in the next year to ensure that your children are happy and successful in their learning.
