Spring Term - Newsletter 3

Friday 20th January 2017

Dear Parents/Carers,

Parent Consultations - The timetable of consultations times went out this week and we hope that you will be able to meet your child's class teacher. It is such an important time to share your child's successes in school and the next stages in their learning. The children's work will also be available for you to look through together (outside the classroom or in the library for Classes 3 and 4) either before or after your consultation.

And don't forget that the village library is open during these times so please pop in if you are waiting for your slot.

Parent Forum - A few of our Governors will be holding a parent forum after Good Work Assembly in the hall next Wednesday. If you would like to come along and offer suggestions/ideas etc you would be very welcome.

Sainsbury's Active Kids Vouchers - The school will again be collecting the vouchers this year. If you shop at Sainsbury's we would be very grateful if you donated the vouchers to us!

Good Work Assembly - This week's assembly was led by Sam and Albie.

The children in Sails class have been learning to communicate by signing using Makaton. It was fun trying to work out the rhyme! The Boats class have been reading books about Percy the Park Keeper. It was interesting to hear about the different characters and the parts the children liked the best. Class 3 have started learning about different types of skeleton and told us lots of interesting facts. Class 4 have also been working hard in Science and told us all about the functions of our lungs. We congratulated Scott on his Tae Kwon Do belt, Theo on his player of the week trophy for rugby, Taylor on his silver gymnastics certificate and Annabella and Jaxon on their swimming certificates. Finally, we celebrated the achievements of the children in Class 3 who have passed their times tables challenges - Ayla, Aurelia, Zoe, Scott, Tommy and Callum. Well done, everyone!

Yours sincerely,

Mrs Claire Staple
Headteacher
