The Daily Mile

We have recently signed up to the 'Daily Mile' initiative, which you may have seen advertised on the television. Over the term the children will be taking part in various activities for a short time (15 minutes) on a regular basis. The intention is that everyone has fun taking part - it is not P.E. nor is it competitive - focusing on building relationships, confidence and resilience. This can be summed up in the 'Five F's':

1. **Fitness** - children become more aware of a healthy lifestyle
2. **Fresh Air** - children thrive on the sights, sounds and seasons
3. **Friends** - children use the language of friendship to support each other, improving their social and leadership skills
4. **Fun** - children enjoy taking part - this is what makes The Daily Mile so successful
5. **Focus** - daily physical activity helps children concentrate in the classroom and is proven to raise attainment

Good Work Assembly

We had a great Good Work Assembly this week which was led by Grace and Amelia.

The children in Sails class are excited about planting and growing and told us what they had learnt so far.

The children in the Boats class have been learning about the senses in their Science work.

Class 3 acted out the water cycle for us.

Year 5 have been doing Excel in Computing and Jaydon and Eva shared their work with us.

Grace, Georgia, Delphi, Eva, Jaydon and Nate were presented with their certificates from their flute tuition.

We also congratulated Courtney, Shai, George, Chloe and Callum on their maths certificates.

Outside school, we celebrated:

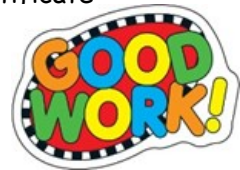

Swimming achievements of Toby, Jack, Courtney, Archie and Daisie

Football achievements of Jack and Ruben

Ayla's Easter holiday hunt certificate

Gymnastics achievements of Lilly, Yasmin and Ayla

Well done everyone!

Congratulations!

Thank you to everyone who entered the bird competition - the poster designs were amazing. The winners were awarded their certificates and prizes at Good Work Assembly. Well done to:
