Spring Term - Newsletter 4

Friday 27th January 2017

Dear Parents/Carers,

Exciting week! - What a great week of learning the children have had! On Tuesday Class 4 welcomed people from Bridport Museum who worked with them on animation.

On Wednesday we had a special Beach Team 'wonder' morning where the children were involved in carrying out different science experiments, which they shared at Good Work Assembly.

The week ended with a Bookworm time where, in their Beach Teams, the children enjoyed working together on different things such as raps, rhymes and the Chinese New Year.

Twitter - The school is in the process of setting up a Twitter account to share some of the exciting things that go on in the school. On occasions photographs of the children may be tweeted. If you would prefer your child not to be included in any photographs on social media please let the school know in writing. Many thanks!

Football Club - There will be no football club next week (3rd February) as some of the older children will be taking part in their first match of the Kenway Cup at St Catherine's at this time - we wish them the very best of luck! Football club will be starting back after half term on Friday 24th February.

Pyjama/Onesie/Loungewear Day - Next Thursday your child has been invited to come into school wearing their pyjamas or onesie in exchange for a suggested donation of £1. As the weather is extremely cold at the moment we are extending the remit to include 'loungewear' (jogging suit or tracksuit) if you would prefer. This event has been organised by Eva in Class 3 to raise money for the Ronald Macdonald House which supported her family when baby Finley was in Southampton Hospital.

Mothering Sunday Church Service - Following the success of this service last year Mrs Woodford will again be organising a similar service in the Church on Sunday 26th March. If your child is interested in taking part in this service then keep the date free. There will also be a couple of practice sessions with the children after school on Thursday 16th and Thursday 23rd March. More details will follow next half term.

E-safety newsletter - Please find attached the latest newsletter from the Safe Schools and Communities Team.

Reminders:

Lego Club - There will be no Lego club next week. The next session will be on Monday 6th February.

Inset Day - There will be no school for the children on Friday 10th February as this an INSET day.

Good Work Assembly - Our Good Work Assembly was a bit different this week. The children had been working in their beach teams for a science morning. They had completed four different experiments and each team told us about one of the challenges. Bexington team demonstrated how the 'Scared Pepper' activity worked, Cogden team explained the helicopter challenge, Hive team told us about Geodesic Domes engineering and Freshwater team enjoyed the cornflour experiment. What a busy morning!

We also congratulated Jack on his football award and Jamie for his football medal. Finally we celebrated the times tables achievements of Callum, Alfie, Tommy, Ayla, Aurelia and Zoe. Well done everyone!

100 Club - Congratulations to the January 100 Club winners: Miss Keith and Mrs Mayo.

Yours sincerely,

Mrs Claire Staple
Headteacher
