

Family Partnership Zones

Please find attached two leaflets distributed by the Family Partnership Zone. One is advertising the 'Incredible Years' Parenting Programme which is being run at the Children's Centre and the other explains about monthly drop-in sessions offering support and advice. If you have any questions, please ask a member of staff or contact the Family Partnership Zone directly.

Newsletter 3

The Rebecca Harris Memorial Walk

Attached is an invitation to take part in a sponsored walk on Sunday 20th May. All money raised will be shared between The Fortuneswell Cancer Trust and local schools, one of which is us!

You will see that you have the option of the whole walk or half the walk and there are refreshments and a barbecue at the finish which is at Symondsburry Primary School. Perhaps we could organise a school group?

Don't fancy the walk? Perhaps you would prefer to support the event by buying a raffle ticket, which will be available from our school office shortly.

Visits to Washingpool Farm

As part of the children's learning this term we have organised a day visit to Washingpool Farm, where they will have hands-on experiences in different areas of the curriculum. These trips have been subsidised by Discover Farming, and to keep costs down further we have asked that you drop off and pick up directly from there. However, if this is difficult then do not hesitate in contacting the school so that we can support you in finding transport with another parent or a member of staff.

Good Work Assembly

We had a great Good Work Assembly this week which was led by Nate and Peter.

Sails and Boats classes have been thinking about the weather this week. Children in the Boats class explained about the different types of weather we can have and the Reception children have explored rainbows and recited a rhyme to us.

Some of the children in Class 4 have been using BODMAS in their Maths learning. They explained the acronym very well and demonstrated how it works.

We also celebrated:

Gymnastic achievements of Daisie, Annabella, Ziva and Harry.

Theo proudly showed us his 'most improved player' trophy for rugby.

Callum achieving his multiplication certificate.

Friends of the School

The next meeting will be on Tuesday 8th May, 7pm, at the school. The meeting is open to all and we look forward to welcoming you. The meeting will look at the events coming up this term and forward planning for the next academic year, so any new ideas will be most welcome!

Tots and Prams

Tots and Prams Service will take place at the Church on Friday 11th May at 2.15pm. All are welcome to attend!

Diary Dates

School Online Calendar

Remember this can be accessed through the school website.

Photographs can also be accessed through the school website via the parents only portal (link has previously been sent out from the school).

Next Week at Burton Bradstock School...
