

Newsletter 4

Dear Parents/Carers,

Today you will have received a letter from our Executive Principal and Chair of Governors informing you that Mr Adam Gough has been appointed as the new headteacher of the school from September.

Having worked with Mr Gough, as part of the senior leadership team within the Minerva Learning Trust, I am delighted with this news. One of the strengths of being in a Trust is collaboration, and therefore Mr Gough is already familiar with both the school's plans and ethos. Over the coming weeks, Mr Gough and I will be working closely together to ensure that the transition for the school is a smooth one and I am sure that this will include opportunities for Mr Gough to spend time at the school.

Kind regards,

Mrs Claire Staple, Headteacher

School Uniform Provider Update

As stated in a previous newsletter, we are changing our school uniform provider. We will be using a company called Kitz UK who, being based in Sherborne, is more local. You are able to access our school's dedicated website through the link <https://burton-bradstock.secure-decoration.com>

Items can be purchased from the website at any time (£4 delivery to home address). However, if you would like the uniform to be delivered to school (free delivery) then you will need to place your orders online for delivery to school on the dates listed on the website. The last delivery to school for this term will be Monday 12th July (not 16th as shown on the website). Please note, that school will no longer have surplus items in stock for you to purchase.

Congratulations to our Stars of the Week

Next half term...

With the Prime Minister's announcement on Monday regarding the roadmap out of lockdown, staff have been planning some of the 'normal' opportunities for our children. Due to the pandemic we have been unable to enjoy trips and visits, but hope that we can rectify this next half term. As soon as staff have confirmation of the trips, including costs, we will write to let you know. We are also busy planning our Sports Week and transition arrangements across the school and for our new intake into Reception. Information will be shared with you as soon as possible.
