Bank Holiday Monday

Monday is a bank holiday so there will be no school.

Enjoy the
Bank Holiday!

School Uniform and Sunny Weather

A reminder, as the weather turns warmer, to send your child into school with a sun hat and a bottle of water. Not only are the children outside at break times, but we try to make the most of the lovely weather by taking the learning outside where possible. School sun hats can be purchased from the school office, or they can use one from home. Please could all uniform, including hats, be **named**. School sweatshirts left outside at playtime can more easily be returned to their owner when they are named. Thank you!

Thank you, Morrisons!

What a lovely surprise we had from Morrisons - 'seeds of hope' bags for our pre-school and school! The topic for Wagtail class this half term is 'Sunshine and Sunflowers' so it fits their topic perfectly. Our Little Chicks in pre-school have enjoyed using the goodies in their bag too!

Parent/Teacher Consultations

Following a disruptive start to the year, the consultations that have taken place this week have been an opportunity to discuss your child's attainment and next steps. Communication between school and home is vital, especially during these times of restricted access. Although we have been unable to invite you in for face-to-face meetings the telephone/ Teams meetings have enabled valuable discussions to take place. We look forward to the time when parent/ teacher consultations in person can resume.

Congratulations to our Stars of the Week

Reception - Jacob

Year 1 - Mischa

Year 2 - Matilda

Year 3 - Evie

Year 4 - Ewan

Year 5 - Lily

Year 6 - Meagan
