

### Spring Term Dates

Dates for the Spring term, as they are at present, have been sent out electronically and are also being sent home as a paper copy today. Please make a note of any key dates that are applicable to your child so that you can keep abreast of events. We try to send out email reminders but this is not always possible. New events will be added to the calendar, which can be accessed through the school website, and reminders are included in the weekly newsletters.

### The Edge

The children worked really well last term on Organisation as part of the PixlEdge work. This term we focus on resilience, through the character 'Raj Resilience'.

### Attendance

The attendance and punctuality figures at the end of the Autumn term shows that the school continues to do well within the area of attendance. Our overall attendance figure for the Autumn term was 96.42%, which is just above the national figure. We will continue to work with families where attendance falls below 90%.

It was lovely to be able to give out so many attendance certificates this week with 37 children receiving certificates for 100% attendance, 15 children who had nearly perfect attendance and 6 children for improved attendance. We also congratulated Owl Class who had the highest attendance across the school and were awarded 'Present' the attendance dog and they also had the least number
