## Good Work Assembly

We had another fantastic assembly this week which was led by Eva and Ayla.

The children in Wagtail class had a wonderful time with Jo, the artist, and showed us the work they created.

The children in Robin class have been asking questions. Asking questions is a great way to learn more!

Kingfisher class have been working on the ending to their 'Stig of the Dump' stories and some of the children shared their endings with us.

Owl class told us about their exciting visit to Hooke Court for the WWI experience.

We also congratulated Scott on his swimming certificate and Archie and Harry proudly showed off their sweaters and scarves after being invested at Beavers. Well done everyone!

## Hot Lunch Orders

Please make sure that any paper Local Food Links hot meal orders are returned to the office by Monday at the latest. Any orders after this date will need to be made directly online with Local Food Links.

## Harvest Festival

Thank you for your donations to our Harvest Festival today. We hope that you enjoyed the service.

## Consultations

These will be taking place next week. We do hope that you will make every effort to attend this meeting with your child so that we can discuss their attainment and progress with you. Your child's work will also be available for you to look at before/after your consultation (outside the classrooms for Wagtails and Robins and in the library for Kingfishers and Owls).

## Attendance

Please see attached the Bridport Schools' Statement regarding attendance which is being sent out to all parents. Attendance at school is important and even short absences, or arriving late to school, have a huge impact on children's learning. All schools have their attendance registers monitored by the Local Authority regularly and we have been asked to advise you that Penalty Notices for unauthorised holidays in term time have been issued in Dorset.

## It's a girl!

Congratulations to Mrs Varndell-Paulley on the birth of her daughter, Georgia Alice!

## Worth Less Campaign

You may be aware that Headteachers campaigned for improved school funding at Westminster on Friday 28 September 2018. This campaign has a single goal of ensuring that every school and pupil receive a much better deal in the near future. Parents have also supported the drive for improved funding by lobbying parliament. I am sure everyone will watch with interest to see how the Chancellor responds to these requests during the Autumn Statement (Budget) on Monday 29 October.
