

Friends of Burton Bradstock School - Swim/Splashathon

We are looking forward to this event on SATURDAY! The whole of Bridport Swimming Pool will be for the sole use of the school between 3.30-5.30pm. The first part will be for the sponsored event and then afterwards there is a fun session with the inflatable! We hope that you can join us for this event - not only will it be lots of fun but will be raising funds for the school.

Can't make it but would still like to support the school? Then why not sponsor someone who is taking part? One of our past pupils, Daniel (Mrs Van Zyl's son) is challenging himself to swim 100 lengths in an hour and has a sponsor form at the school if you would like to sponsor him.

Please bring your sponsor forms with you to the event tomorrow!

Good Work Assembly

We had a great Good Work Assembly to start this week which was led by Tommy and Jaydon.

The children in Wagtail class have been thinking about the people that they love and shared their sentences with us.

The children in Year 2 have been learning about the wind and explained the Beaufort Scale to us.

Kingfisher class have been learning new netball skills in PE which they demonstrated with great skill.

The Owls class have been creating art work inspired by their topic. We were amazed at their drawing and shading skills - wonderful spherical shapes!

We also celebrated football achievements outside school with Harvey's medal for Footie for Dorset and Zoe and Shai's trophies for being runners up in the U9 Bridport Football Tournament.

Well done everyone!

Friends' AGM

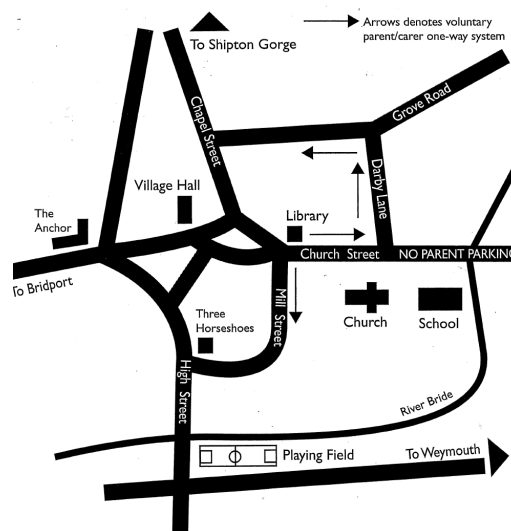

Please find attached the notes from the AGM meeting held at school.

100 Club

The 100 club will be running again this year with the first draw taking place in October. If you would like to take part then please return the slip that will be sent out from the Friends today. If other family or friends would also like to join more forms are available from Miss Granger in the school office.

Traffic - One Way System

Please could you be reminded that we encourage a one-way system in the morning when dropping off and collecting your children from school. This is to aid the flow of traffic and to avoid congestion. We would be very grateful if you could follow this suggested system, and avoid parking outside the school:

Mrs Varndell-Paulley

We bid Mrs Varndell-Paulley a temporary farewell today as she starts her maternity leave. We wish her lots of rest before the big day and lots of happiness when the baby arrives!

Mrs Farmer will be the class teacher in Owls in Mrs Varndell-Paulley's absence and the children have been lucky to have had the last three weeks transition between the two teachers.

Diary Dates

School Online Calendar

Remember this can be accessed through the school website:

<http://www.burtonbradstock.dorset.sch.uk/School%20Pages/calendar.htm>

Photographs can also be accessed through the school website via the parents only portal (link has previously been sent out from the school).
