1. Funds Raised A fantastic £3000 has been raised so far this school year. From this budget a donation towards the transport for Key Stage 2's school trip has been agreed.

2. Christmas Fair Review

A brief review of the Christmas Fair noting which stall did well. This included the Raffle, Refreshments, Jolly bags in paper bags and although the Hoopla meant profit was not as high due to initial cost of buying the hoops in was very popular.

The book sale also went well and selling at Christmas seemed to be well timed.

Children running the craft stall worked very well.

3. Cake Sale

The next cake sale will be held on Tuesday, January 29th.

Fleur and Michael Heaney will set it up at 2.30 pm and run it, charging the normal 50p per cake.

Claire Staple will put it on the Parent Newsletter to ask for cake donations

Suzanne Moore will put a notice on Facebook

Laura Ferrett will ask her Mum (Burton Post Office) for some paper bags to put cakes in that we can buy through her.

4. Rag Bag Collection

A suggestion of doing a rag bag collection instead of the jumble this sale has been suggested. It will be postponed until the summer term, perhaps in May? Laura Ferrett said she would approach the village committee about a potential permanent clothing bank to share profits with the village.

5. Duck Race

Fleur Heaney will check in with the Rotary club about the use of the ducks for April 14th.

Suzanne will arrange fences and send the Parish Council the risk assessment. Posters need to be done and Angie Porter will be asked to do them.

Prizes are to be gathered for the Raffle, Beth Moore has a list of who to ask. This will include a donation from Seaside Boarding House, 1st prize chocolate duck from Aleksandra's Chocolate Café, duck decorated cupcakes from Fleur Heaney. Food will be provided by Maydown Farm.

Cream Teas will also be sold again as proved to go well last year. Fleur Heaney will source approximately 100 sustainable lidded boxes for them to go in.

Suzanne will order the mini clotted cream pots from Roddas. We will ask for jam donations nearer the time.

Heaneys to bring the rope for the finish line.

River aids for the day include, Dave, Jeremy, Michael and perhaps Lewis.

Michael Heaney will confirm when work schedule is known.
