

## Burton Bulletin

Messages and diary dates for 16-20 May

*\*Please don't forget to check the whiteboard each morning for last minute changes!\**

### Attendance

As you know we continually monitor attendance and we have noticed that a small number of children now have attendance under 90%. Those families will receive a copy of their child's attendance report via email next week. We appreciate that there are many reasons for children to be absent this year, especially in light of Covid, and this report should be seen as information only.

### Jewellery

A reminder that jewellery should not be worn to school. If your child has pierced ears make sure they are only wearing small studs to school (no large designs or hoops).

### Chicken Pox

Chicken pox is doing the rounds of local childcare settings and primary schools and we have had a case in our pre-school. As we have vulnerable children in Key Stage 1 it is crucial that we are told about any contact your child may have had with the virus or if you suspect they have it.

### Proposed: After School Club

Thank you to everyone who completed our survey, we will keep it open for another week so if you haven't had time please do follow the link and let us know your thoughts <https://forms.office.com/r/19naBMkkpG>

### Clubs

There will be no Football, Running or Netball clubs next week. All other clubs running as normal.

### Owl Class

Owls will be at PGL next week – have a fabulous time!

### Wagtails

At the end of last term a brown envelope from the school nurse was sent home with the children, could this please be completed and returned to the school office as the nursing team will be collecting next week.

### Celebration Worship, Wednesday 11 May

<b>Little Chicks</b>	Little Chicks have been planting seeds and looking after them.
<b>Wagtails</b>	Wagtails have learnt a lot of interesting facts about crabs.
<b>Robins</b>	The Robins have been designing healthy meals.
<b>Kingfishers</b>	As part of their topic, Kingfishers have designed and created ocean drums.
<b>Owls</b>	Owls have made their bug hotel, pictures are on the class page: <a href="#">Owl Class (Y5/6)   Burton Bradstock Church of England Primary School</a>
