Our new playground!

Over the May half term, the playground equipment which we have been fundraising for was installed! All the old apparatus was replaced with a new 'trim trail' featuring a balance beam, traverse wall, wobbly log and rope weavers. Alongside the trim trail we have installed some roll over bars which are proving very popular. The playground surface has also been upgraded to artificial grass which brightens up the space and provides a great surface for sitting and playing on.

Thank you for supporting our fundraising events and to our Friends for putting them on – it is great to see projects such as this able to go ahead for the benefit of all the children at our school.
