Our New Gate!

There was a lot of activity at school over the summer, one of the most exciting was the building of our new gate and fence.

A few tips for using it:

- The gate will be open at the start and end of each day. Outside those times please call the office via the intercom.
- **Be aware that the gate does not make a 'buzzing' sound when it is unlocked from the office.**
- When shutting please check that it is locked behind you as there can be a slight delay before it catches.

Thank you for your patience as we all get used to it!
