Messages and Reminders

School Open Morning, 9 – 10.30am

We will be holding an open morning next Thursday, 5 October for families of children starting school in September 2024. Like last year, all current families are also welcome to drop in and see the school in action. We look forward to seeing you!

Clubs

All clubs will be running next week.

Medical Conditions

A reminder that if your child has a medical condition to please complete the forms sent around by Mrs Walter on Wednesday. This is to ensure our records are accurate and up-to-date. Any questions or concerns contact the school office.

Snacks

Free fruit and vegetables are available daily at morning break although children may bring in their own piece of fruit or veg from home (no biscuits, crisps, chocolate, sweets etc for snack please!).

Headlice

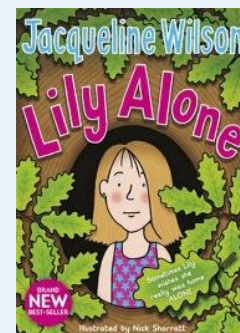

We still have cases of nits in the school. Treatments are available from local pharmacies and supermarkets. To help reduce chance of catching we recommend that shoulder length hair and longer is tied back.

FROM THE READING RECORD. ... JAQUELINE WILSON, *LILY ALONE*

"I really like this book because of the humour. Lily has to look after her younger siblings when her mum goes on holiday and there are lots of funny scenes." Lily C, Year 5

Lily Alone is a deceptively light tale of a big sister coping with her three siblings after their mother disappears off on holiday with a new boyfriend and the babysitter doesn't turn up. Lily takes the children to hide in the local park - it's an adventure for them but you know it can't end happily.

PARKING

A reminder to please be considerate when parking in the village during school drop off and pick up time. Please ensure that you do not block driveways or access to properties

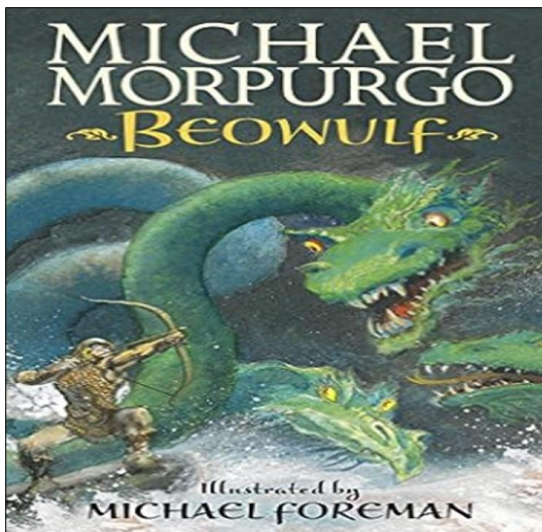

Celebration Worship

Little Chicks and Wagtails have been learning about key workers and the symbol of the rainbow.

Robins have been looking at toys from the past.
