Friday 8 March	Running Club, 8.00—8.40am Kingfisher Swimming and Owl Gymnastics @ BLC

World Book Day, Thursday 7 March.

All children are invited to come in dressed as their favourite book character, book or adjective (e.g. adventurous)! There will be prizes for the most original and well thought out costumes.

The Friends of School will be holding a book swap event after school. If you have a book that you have finished with, please bring it into school on Monday and leave in the collection box. After school, children will then be able to choose a book to take home from the selection. The Friends hold a selection of books in stock so all children will be able to bring a book home, even if they do not bring one in to swap.

Can you help Kingfishers?

Kingfisher class need a toy car/cars for their English class on Monday, 4 March. The toy car needs to be roughly the size of a small shoe box if possible. Cars will be sent back on the same day.

Dorset Local Area SEND and AP Ofsted Inspection

Ofsted would like to hear your views about the support that your child receives and how it has helped you and your child. This survey is for parents/carers of children and young people aged 0-25 with special educational needs and disabilities. You can provide your views by completing an online survey at the following link: [Parent Views Survey](#)

Monday 15 April

First day of Summer Term

Message from the Friends of Burton Bradstock School

On Sat 24th, the Bridport Youth and Community Centre was packed for the fundraising bingo! The event was kindly organised and run by our school cleaner, Gill, and her brilliant team, with Friends just organising prizes and some refreshments. We'd like to say thanks to Gill for all the hard work that went on in preparation and on the night.

Once expenses had been taken out, there was £979 profit for Friends of Burton Bradstock School which will be used to support the school in developing their outdoor learning areas.

Sports Report: Cross Country Relays

This week, twelve Key Stage 2 children took part in the cross country relays at the Sir John Colfox Academy. Despite the weather conditions on Wednesday (see the picture above!), all our runners showed grit and determination in completing the course which was quite challenging in places.

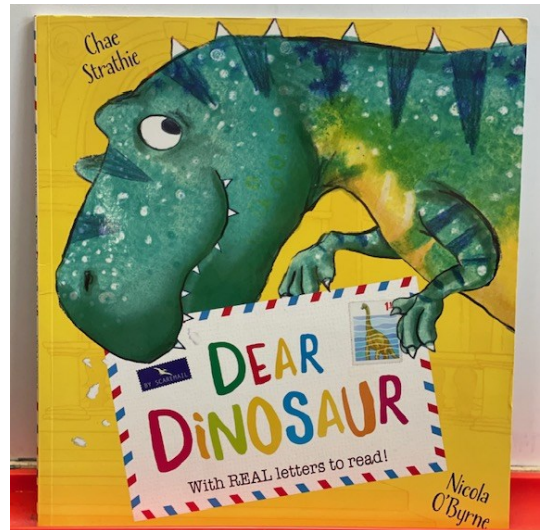

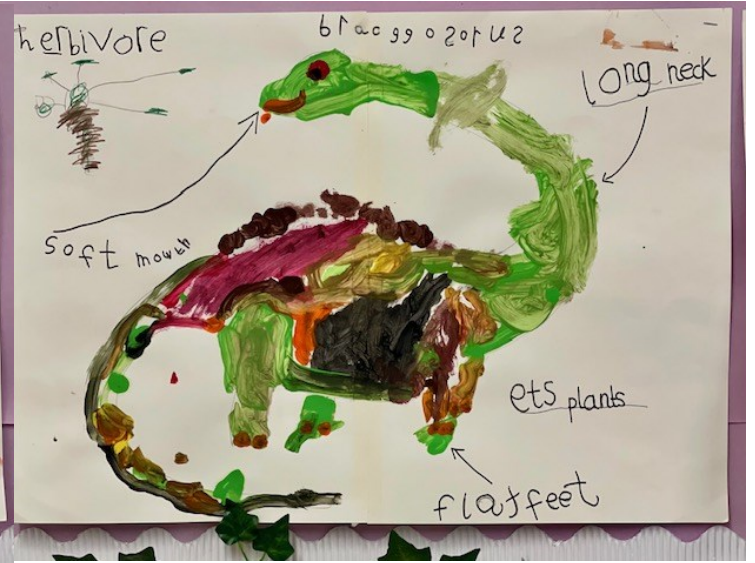

Our Year 3 & 4 team came 8th and our Year 5 & 6 teams came 4th and 15th.

Congratulations to all involved and a big thank you to the parents who braved the wind, rain and fog to cheer the children on!

This week...

The Nest have started to learn about dinosaurs and what they eat.

Photo's from the **Robin's** science welly walk, the children had a fabulous time!

Kingfisher's had a lovely time reading with Mikey and Mrs Chard.

SCHOOL WRITING CHALLENGE

Get ready to write your way to victory in the School Writing Challenge!

Let your imagination soar as you craft a 500 word tale filled with adventure and excitement. Dive into uncharted lands, battle mythical creatures and unravel mysteries beyond imagination.

The closing date for this epic quest is **Friday 15 March**, so be sure to submit your masterpiece to Mr Proudfoot before then to be in the chance to win exciting prizes!

Year 6 joined students at St Mary's Bridport to participate in a team-building day run by the Royal Navy. The children needed to use teamwork, communication, knowledge and problem-solving skills to build a 'communications tower' that had to be freestanding and at least 6 feet tall.

Later, they had to design and build emergency flares which were subsequently pumped up and released in the school playground to see how high they would travel. Sonny's flare is still on the school roof!

The Royal Navy day was part of a Dorset Council and Bournemouth University programme to bring careers education into primary schools called Start Small, Dream Big. We are hoping to have further events in the future.
