DROP-OFF AND PARKING

A gentle reminder, please do not drive your car to the school gates to drop off or pick up children at any time.

Parking and driving beyond the turning into Darby Lane obstructs the school bus and causes unnecessary disturbance for our neighbours.

Easy parking is available at both the Three Horseshoes and The Anchor. Thank you for your support.

MESSAGES

Ofsted Report

Dear Families,

I am delighted to share the report from our Ofsted inspection which took place on Tuesday 10 December 2024.

The inspection process in schools is rigorous and wide reaching with a huge amount of work going on behind the scenes. I am incredibly proud of our school and really pleased that our report recognises the significant work that has happened over the past few years, especially on the curriculum and our school vision and values.

The outcome of the inspection was: Burton Bradstock Church of England Voluntary Controlled School has taken effective action to maintain the standards identified at the previous inspection.

This is a very positive report that the whole school community should be really proud of.

I encourage you to read my letter emailed home yesterday for more details and a link to the report will be available on our website shortly.

As always, thank you for your continued support. If you have any further questions, please do not hesitate to ask.

AROUND THE SCHOOL..

Lunchtime Reading Club was a tremendous success. Mr Proudfoot was our first adult lead and the children were captivated listening to him read one of his favourite books 'Operation Gadgetman' by Malorie Blackman.

It was great to see so many children bring in their own books and enthusiastically discuss why they love them so much!

Reading club will run every Tuesday lunchtime. There's no sign up, the children can come and go as they please.

Our children played remarkably well in the **Year 3/4 Bridport schools Futsal Tournament** at Colfox school on Wednesday.

They played 4 other schools, scoring a total of 4 goals coming from Davey x2, Hugo x1 and Louie x1. They showed fantastic team spirit and made Mr Proudfoot very proud. Well done children! *Mr Proudfoot*

We continue to decorate Burt the Elephant!

Robin class enjoyed their learning hook for their new story, 'The Magic Porridge Pot'.

We tried original, golden syrup and apple and cinnamon before deciding which was our favourite flavour.

Wagtails and **Little Chicks** have been thinking about people who work when we are asleep.

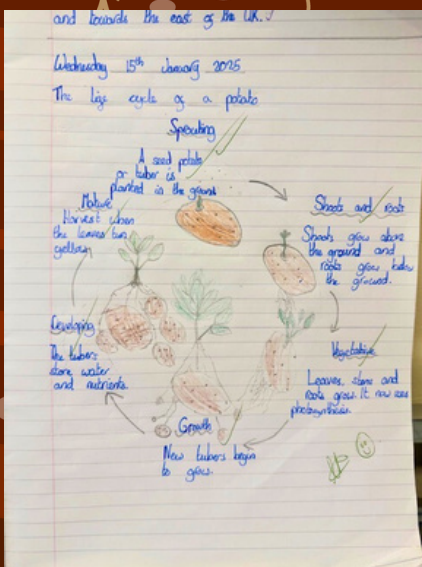

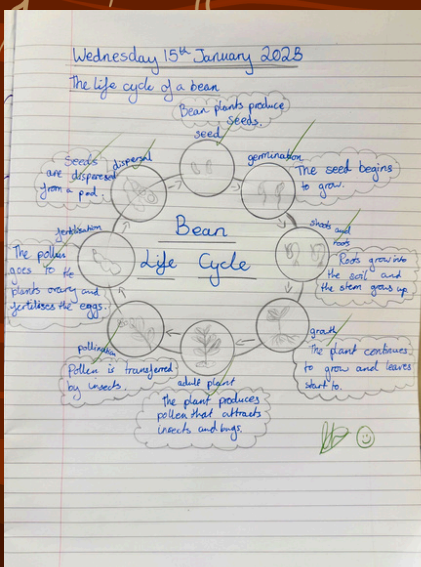

Kingfishers had a magical experience making their own marvellous medicines, which has inspired them for the new unit of English work! They're very excited about getting started!

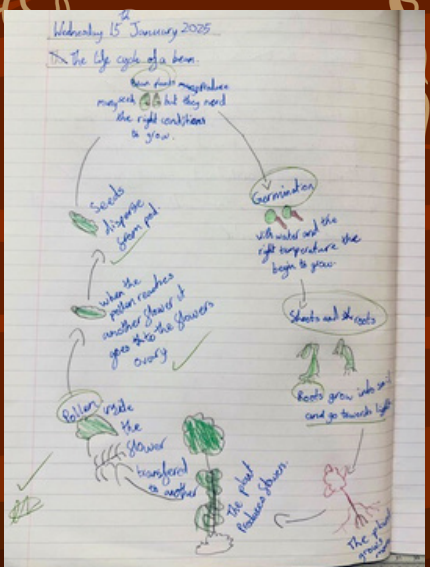

As part of their topic this term *Sow, Grow, Farm*, **Owls** in science learnt about plant life cycles.

Sleep is vitally important to support children's development and their wellbeing. Sleep deprivation affects behaviour, learning, health, mood and the whole family's functioning. Our approach to sleep uses specific behavioural and cognitive techniques to help parents to adapt nighttime behaviour. Parents should seek advice from a medical practitioner around their child's sleep issue prior to beginning the programme
