# AROUND THE SCHOOL..

After reading *The Gruffalos Child*, **The Nest** have been learning about shadows. They created shadow drawings outside and made a shadow theatre using dark fabric and torches. The children have also been looking at their own shadows!

**Kingfishers** practiced independant fire lighting with ferro rods and strikers at forest school

**Robin class** walked to the village library and had a wonderful time listening to a story and enjoying exploring the books.

**Owls** have been writing 'defeat the monster' stories in English this week. They have worked hard to include the following in their writing: show not tell, repetition, power of three and higher-level vocabulary.

Many moons ago, when dinosaurs roamed freely, as pines grow  
and there sat tall, a little girl sat in the <sup>forest</sup> eerie, deep, treacherous forest on  
a cute blanket. <sup>With a smile spreading on her face</sup> Therefore, this girl was rejoysing, brave and  
fearless. She was an ordinary girl. Sophie was her name. She was  
as lucky as a star as she had owned a dazzling, mouth-  
watering picnic basket. A smile spread across her face.

Anya, Year 5

12-year-old Eve and her 16-year-old sister Rosa lived in a village near to Howlers Hill. ~~As~~ Though their ~~ca~~ cottage ~~was~~ was small, old, and crumbling, it was cosy. So to Rosa, Eve and their mother loved it. Their mother, ~~to~~ though she worked hard, smiled all the ~~while~~ while. The little family's life was happy, ~~fun~~ and very uneventful. Or rather it was uneventful, until one night, a full moon...

Edith, Year 5

Having a party John was still trying to think of a ~~smart~~ smart, intelligent, sneaky plan. There was a big ~~scrag~~ scrumptious feast. They were dancing, eating and chatting. Inside, ~~ere~~ everyone was having an astonishing time (But little did they know, ~~outside~~ something was out for revenge)...

Grace, Year 6
