Can you help?

Prepared logs needed for our new Outdoor Education fire pit.

Please speak to Mrs Proudfoot if you can help!

We are working hard to transform our outdoor learning space we can't wait to share it with you!

AROUND THE SCHOOL...

Yesterday, our **Year 5 and 6 Quadkids team** took part in the Bridport area competition. They did amazingly well coming 2nd overall! A special mention to Peter for coming 2nd 🏆 in the boys event and Layla for coming 3rd 🏆 in the girls. Well done all!

At **Golf Club** this week the children were bursting with excitement to play 'Angry Birds' using Top Tracer technology on the driving range at Bridport Golf Club.

You do not have to be a member to use the driving range. Anyone can come and use it. Ask Mr Proudfoot if you have any questions.

At Celebration Worship **The Nest** and **Robin** class both shared topic work whilst **Owls** shared their Art. Inspired by the expressionist painting 'The Scream' the children sketched their own portraits and added colour to express different emotions.

Earlier this week the children in **The Nest** were very excited to watch their second caterpillar emerge from their chrysalis. After all having a good look they found a nice spot in the playground to set him on a leaf to dry his wings and get ready to fly.

The grey weather failed to dampen **Owl Class** spirits yesterday at Tamarisk Farm where the children experienced a real mixed organic farm in action. Thank you to Ellen and Leila Simon from Tamarisk Farm and the volunteers from the Edible Garden Project who organised and coordinated this wonderful visit.

Joining the Summer Reading Challenge

Children sign up through their local library and receive a sticker booklet. They set a reading goal and borrow books of their choice during the summer, collecting special stickers. Children who complete the Challenge are presented with a medal when they have read 6 books, and a certificate is sent to school in the Autumn term.

The Challenge starts on Saturday 5 July

How the Summer Reading Challenge benefits children:

- significantly improves reading confidence and independence
- ensures students are ready for their return to school, preventing the summer reading 'dip'
- aids the successful transition between year groups and key stages

Schools online author event with Gareth P. Jones to launch Story Garden

What next

- display posters in your school
- send a newsletter to parents and carers with information about the Challenge
- talk to students about Story Garden during assembly time
- visit the Summer Reading Challenge School Zone for more information and free resources

2025 Summer Reading Challenge, Story Garden - Adventures in nature and the great outdoors

This year's exciting theme will inspire children to tap into a world of imagination through reading, exploring the magical connection between storytelling and nature.

The Summer Reading Challenge is a FREE holiday activity for children. It's all about reading for fun, aiming to improve children's reading skills and confidence.

We value your support in helping us to promote the Summer Reading Challenge and therefore we will be pleased to:

- attend an assembly to talk about the Summer Reading Challenge
- provide an electronic promotional flyer for emailing to parents and carers
- provide a PowerPoint presentation to explain the Summer Reading Challenge to children in an assembly or classroom situation. We will notify you when it is available

To ensure all children hear about Story Garden, library staff would be delighted to visit an assembly to talk to children about the Summer Reading Challenge.

Assembly visits are available between 23 June and 16 July
