Notices

Welcome to our new-look Burton Bulletin! You will continue to receive a weekly bulletin, but our photo bulletin will now be fortnightly, starting today. This new schedule ensures all classes are represented, showing a range of photos and activities from across the school. A huge thank you to Mrs. Walter for her amazing job in putting this together and acting as editor!

As you'll see in the next few pages, our children have had a great first couple of weeks back. It's been wonderful to see how happy they are. I know you will join me in thanking our staff, who have gone above and beyond to ensure the children are settled and making the best possible start to the year.

Mr Gough

Our 2025 Reception Class!

Around our School

Our first celebration worship for the year. It was lovely to see the children in their new classes.

Rocksteady band lessons are now in full swing!

The Nest went for their first welly walk looking for signs of Autumn. They collected conkers and acorns and looked at all the changing colours of the leaves on the trees.

As they walked back to school the children were very kindly invited in the garden of Janet to pick apples from her tree! What a treat and we have some cooking to do next week...what will we make with such delicious apples?

Painting rainbows, a symbol of Hope, after reading the story of Noah's Ark.

Morris and Theo-dorable joined the children on the carpet for snuggle time.

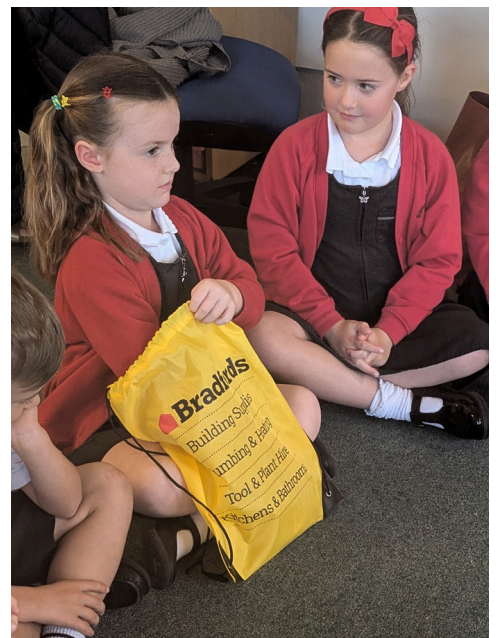

Robins have been learning about their families and themselves, including what makes them unique. They then created these fantastic self portraits (with pastels).

Guessing 'what's in the bag' during English.

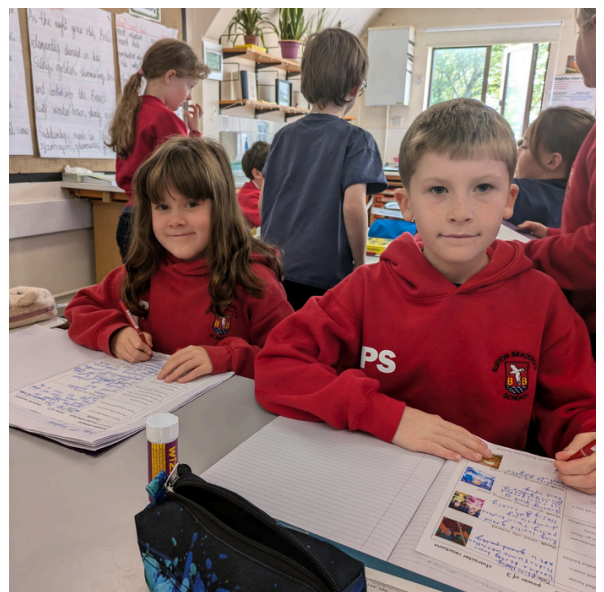

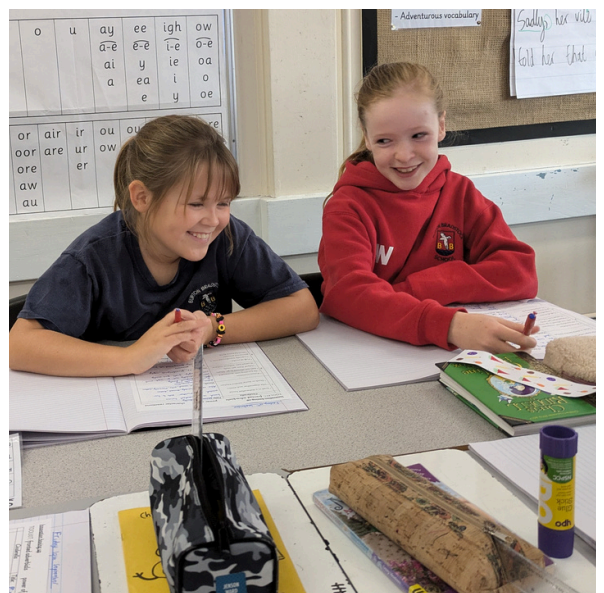

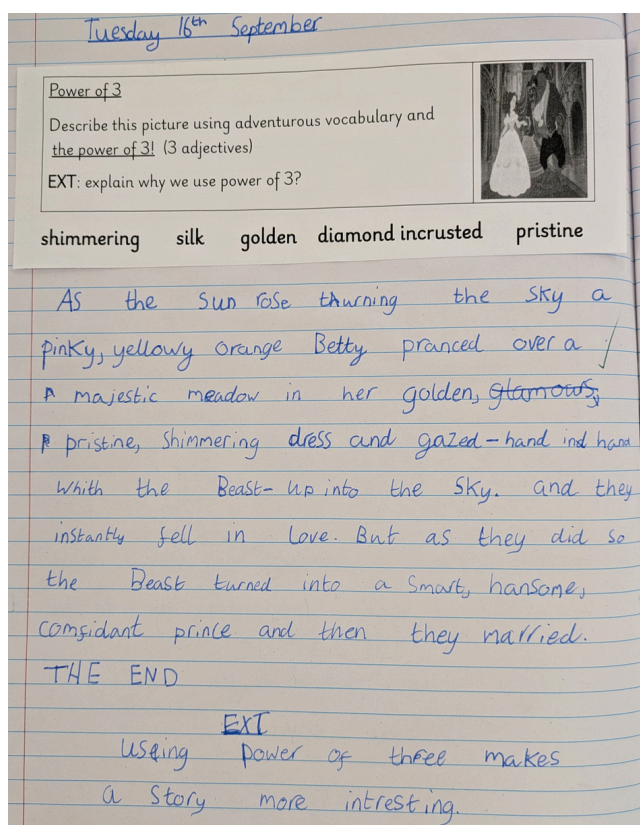

Robin's are really enjoying 'exploring time' together. These activities are a progression from continuous provision and give the children an opportunity to practise learning through play.

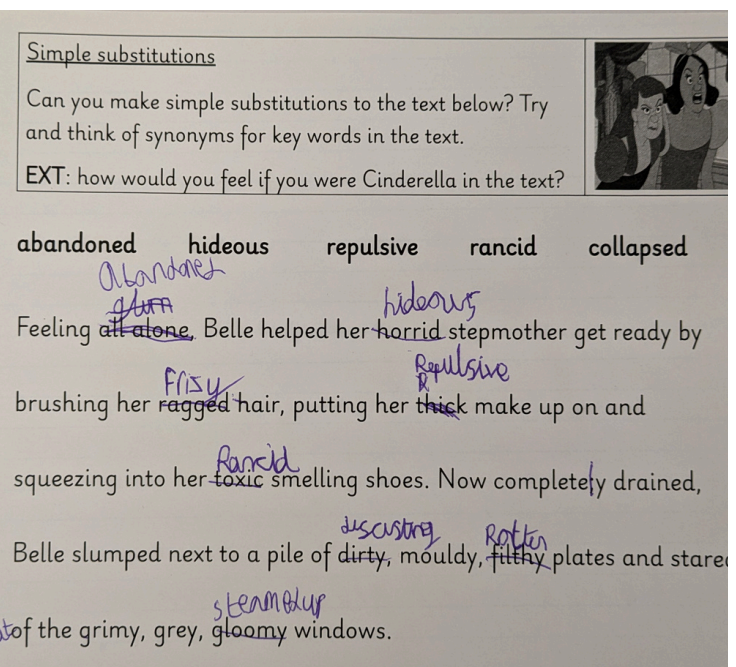

With Mrs. Herbert, the children researched the famous artist Henri Matisse. They will use his style as inspiration for their own watercolor art pieces in a few weeks.

Kingfisher are getting adventurous with their writing! They're learning to rewrite the Cinderella story by focusing on new skills like the power of three and fronted adverbials

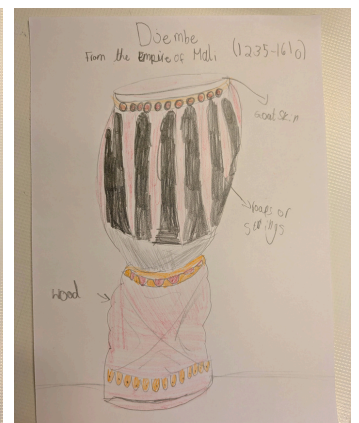

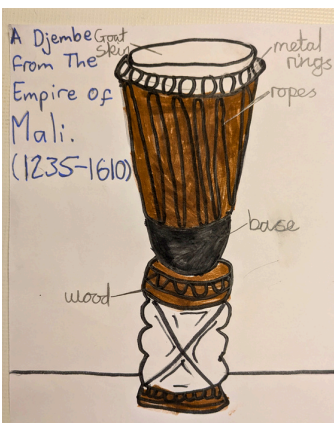

It's been a great start to the term for the Owls, who have been learning about collaboration in PSHE. They were divided into small teams, each of which was given six sheets of newspaper. From these sheets and some sticky tape they had to build the tallest possible tower.

Not only did they show great teamwork and collaboration, but also lots of ingenuity and imagination!

Owl Class's topic this term is Maafa, an overview of the history of Africa, with a focus on Benin. They are reading *Children of the Benin Kingdom* by Dinah Orji and enjoying exploring what life was like in the Benin Kingdom in the 12th century.

Outdoor learning started back this week and The Nest and Robins Class really enjoyed their trips to our outdoor learning site called 'The Gap'.

JUNIOR RUGBY AT BRIDPORT RUGBY CLUB

Ages 6-16

Sundays from 10am to 12noon

Bridport Rugby Club

Skilling Hill Road, Bridport, Dorset, DT6 5LN

Why choose rugby?

- Playercentered development
- Develop social skills and confidence
- Inclusivity for all, Rugby celebrates players of all shapes and sizes
- The RFU's "half-game rule" ensures every player in the match-day squad gets at least half the game, fostering involvement and enjoyment
- No extra fees - all included in membership
