## Notices

### Learning Showcase

Next Wednesday, instead of our celebration worship, all classes will be holding a Learning Showcase.

Parents/carers are welcome to visit their child's classroom at either 2:30pm or 3:30pm to look in books and see some of the learning that has been taking place this term.

Please note, to ensure a smooth end of day routine, we will be asking adults to leave the school site by 3:00 so that children can gather their things etc.

### Friends Fundraiser - Rainbow Day

Friday, 28 November is Rainbow Day! The Friends are asking all children to wear their year group's colour and bring a hamper item of that same colour.

- The Nest: Red
- Year 1: Orange
- Year 2: Yellow
- Year 3: Green
- Year 4: Blue
- Year 5: Pink
- Year 6: Purple

The collected items will be used to create Rainbow Hampers for the Christmas Raffle.

## St Mary's Church

Family Breakfast Church, Sunday 23 October  
Join us this Sunday from 9.30 to 10.20am. Our family breakfast is a time to relax with optional craft activities, a bible story, song and prayer. Breakfast and coffee provided.

# Around our School

Last week we ran the coffee stop at Burton Bradstock Village Hall. It was a great success - thank you to all those who supported us by visiting, helping out in the kitchen or baking cakes and to Owl class for serving!

We raised an incredible **£351** for Children in Need, through non-school uniform donations and our junior bake off!

Well done to all who entered the bake off - it was extremely hard to judge as all of the entries were brilliant!

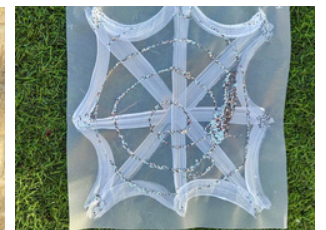

As part of learning about remembrance day the Nest learnt that poppies are a symbol to help us remember and think about all the people who have fought in wars. The children painted this beautiful mural and also independently painted poppies using real life examples.

Frosty mornings inspired beautiful glimmering art and also made the cosy homecorner very popular!

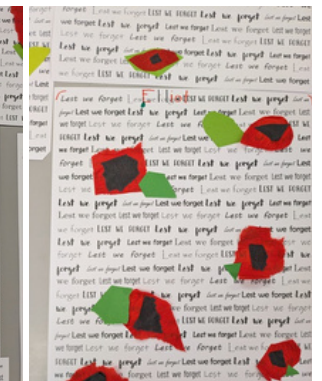

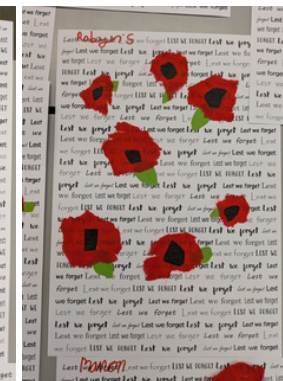

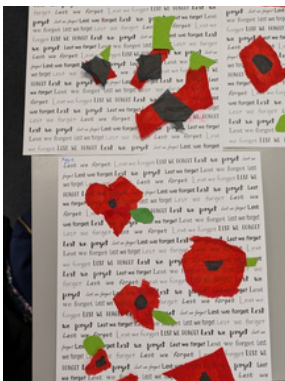

Robins had an interesting visitor this week who told them all about growing up in the 1950s. The children were fascinated that they didn't have dishwashers or washing machines!

Kingfisher class also made art on Remembrance Day while having some intriguing discussions about our fallen soldiers and why we celebrate this day.

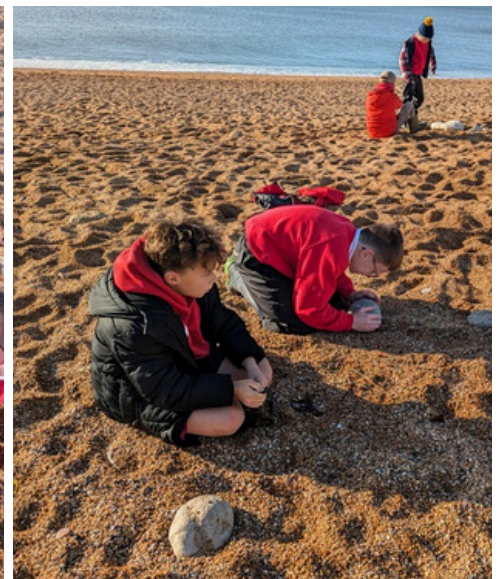

Kingfishers had an incredible learning experience at New Barn yesterday. They will share their learnings at the next celebration (and a video!), A big thank you to the parent volunteers!

In Science, Owl Class have been experimenting with the effects of different drinks on tooth enamel. There was not a ready supply of teeth - strangely, no volunteers! - so they used eggshells instead.

At Hive Beach with the National Trust

Selected Owls participated in the Bridport School Quicksticks Tournament

The Owls and the Nest at the Gap for Outdoor learning.
