A note from our head

We had a beautiful morning planting saplings around our outdoor learning area last Saturday. It was great to be joined by so many children from school and their families to plant saplings and enjoy our outdoor area. Thank you to the WI for sourcing the trees to mark their 110 year anniversary. Thank you also to Burton Bradstock Parish Council for supporting us with our Outdoor Education area - The GAP. We even enjoyed hot cross buns and brioche toasted on the fire, thanks to Mrs Proudfoot. We continue our search for a lunchtime supervisor. Please help us by sharing our Facebook posts and spreading the word. The children have made some flyers about the job which The Nest are putting through doors on their welly walks. If you are able to deliver some flyers to the houses around you in the village, please get in touch with the office.

Notices

Easter Service

We look forward to welcoming you to our Easter service in the church next Friday, 27 March, at 9.15am. The children are busy preparing Easter work to share with you. Refreshments will be available in the church before the service so you can go straight to the church after dropping your child at school that morning.

Rocksteady Concert

Well done to our amazing musicians on their Rocksteady concert on Wednesday! It's always lovely to welcome so many family members to enjoy the performance too.

Summer term Rocksteady payments are now open on Arbor and are due by 23 March. If your child would like to join Rocksteady after the Easter holidays, please get in touch with the office.

The Friends of Burton Bradstock School

The Friends of Burton Bradstock School is a group of dedicated parent and community volunteers who give up their time to support our children and enrich their school experience.

Through fundraising events and activities, the Friends help provide valuable extras for the school that go beyond the standard budget — things like equipment, trips, learning resources, and special experiences that make a real difference to the children's education and enjoyment.

Our goal is simple: to raise funds that help keep costs down for parents while ensuring the children continue to benefit from opportunities that enhance their time at school.

However, we can't do this alone. Without the support and involvement of more parents, it becomes increasingly difficult to raise the funds needed. If participation drops, unfortunately it could mean fewer events, less support for the school, and potentially higher costs for families.

Every bit of help counts — whether it's volunteering at an event, helping organise activities, or simply showing up and supporting what we do.

By working together, we can continue to provide these valuable extras for all our children.

If you can spare any time or would like to get involved, we would love to hear from you! Please get in touch with Laura Ellward-Smith (Douglas and Chester's mum) at the school gate or on 07766675685.

Around our School

Owl Class enjoyed the beautiful sunshine on their beach visit.

An Amazing performance at our Rocksteady Concert
