A note from our headteacher

It's been busy again this week with visits to the village library, beach and the multiskills festival. We are always very grateful to parents who volunteer to help at these (and other events). It was great to welcome Joe, our cover Rocksteady teacher, to school on Wednesday and the children enjoyed getting back to their Rocksteady lessons. It's been great to see the sun this week - don't forget to send your child to school with a sun hat and water bottle, having already applied sunscreen at home.

*Mrs Varndell-Paulley
Acting Headteacher*

Notices

Don't forget our school summer reading challenge called 'Get Caught Reading'. The aim of the challenge is to have fun and promote the love of reading that we all cherish so much at school.

The challenge involves taking a photo of your children reading in safe, fun and peculiar places (adults can get involved too!) Send the photo to Mr Proudfoot at gproudfoot@burtonbradstockprimary.org. We look forward to receiving lots of interesting photos of the children reading!

Our school value this half term is COURAGE. We will be encouraging everyone to find their inner bravery—whether that means tackling a tricky new challenge in class or having the heart to try something for the very first time. If your child is being collected by someone else at the end of the day, including a friend's parents, please let the office or the class teacher know.

Message from the Friends

As part of our ongoing fundraising activities, we need your help. If you have any unwanted gifts at home (unused and in good condition—think candles, gift sets, bottles, etc.), we'd be so grateful for donations. It's a great way to declutter while helping raise funds for the children—thank you so much!

Around our School

Robins began their 'Coastline' topic with a walk to the beach on Monday. The children did some team games and had fun playing and beach combing. We reminded ourselves how lucky we are to be able to walk to the beach from school!

We had an informative assembly from the RNLI on Tuesday . Water safety is important for everyone, but especially for us being so close to the coast.

Robins had a fun afternoon at the multiskills festival at Sir John Colfox Academy this afternoon. The children showed amazing skills in throwing, balancing, dodging, weaving, multi-tasking, communicating and, most importantly, teamwork. We are so proud of their energy and determination!

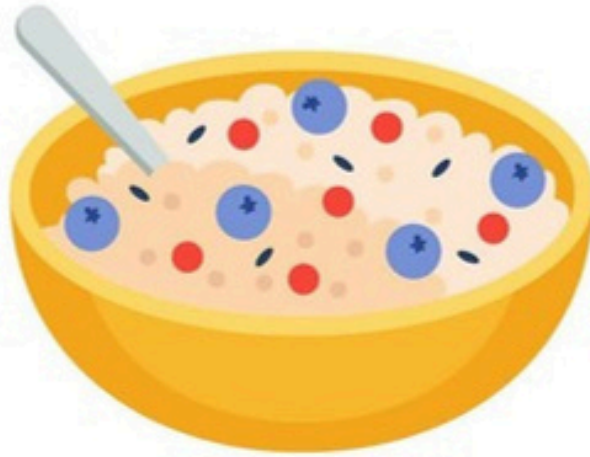

In maths, Kingfishers were working meticulously with their numicon to solve questions on non-unit fractions of an amount. They were allowed to write their workings out on the table. Make sure Mrs Varnnell-Pauly doesn't find out or Mr Proudfoot will be in trouble!

In art, Kingfisher were using different materials to create a mixed media art piece of the beach. They were able to plan and be creative with their wonderful pieces of art.
