Dates : [CLICK HERE](#)

A note from our head

It was wonderful to welcome our new preschoolers and reception children and their families to our school this week. We hope they enjoyed the first of their settling sessions.

Kingfishers and Owls enjoyed their River Project yesterday. They learnt lots about the river and how we can look after it. Thank you everyone involved in organising such a fun, informative session.

Have a lovely weekend.

Mrs Varndell-Paulley

Notices

Sports day

Sports Day is next Friday 26th June. The morning will be an athletics event with our KS2 classes, the afternoon will be our usual mixed-age teams working through some fun activities. The Friends are kindly offering to run our Rehydration Station again this year and would like families to bring donations of pre-sliced fruit into school on the Friday morning. After the afternoon's event, we would encourage families to stay on the field to catch up, relax and celebrate the day. If your child usually travels home on the bus, please let the office know by Friday lunchtime whether or not they should be going on the bus that day.

Outdoor education

Owls have Outdoor Education this half term so please make sure they come to school every Thursday with the correct kit - wellies, long trousers, waterproofs, sun hat.

After school collection changes

For safeguarding reasons, please notify the school office before 3:00 PM if someone different is collecting your child.

To save time, you can email us a permanent list of approved people authorised to collect your child so you don't need to alert us every time.

After school club

After school club closes at 5.20pm. Please ensure that you collect your child by 5.20pm at the latest.

Free School Meals

You may or may not be aware that from Autumn 2026, the Department for Education is changing how Free School Meal eligibility is managed.

Eligibility will now be split into the following categories; **Targeted FSM (currently FSM pupil premium)**, **Expanded FSM (free school meal entitlement only)**, and **Other FSM** which only applies to certain local funding schemes. Eligibility is based on your personal circumstances and applying is straightforward using an online checker.

All families currently in receipt of free school meals are required to reconfirm their eligibility annually and you can start the reapplication process now, for September 2026. We are encouraging families to act promptly to ensure they continue to receive these valuable resources without interruption.

If you have not applied for Free School Meals previously then we do recommend checking if you might be eligible, especially now the criteria has changed.

To reconfirm your eligibility or to check if you might be eligible for funding please click on the following link; <https://www.dorsetcouncil.gov.uk/w/free-school-meals>

Medication

If your child has medication in school, prescribed or not, it MUST be stored in the school office. Please give any medication to either Mrs Varndell-Paulley on the gate or Ms. Rigby in the office.

Children's Commissioner Survey

We would encourage as many children (or parents) as possible to complete the Children's Commissioner survey to have your say on what it's like to be a child or young person in England today. To complete the survey, please use this link:
