Staffing

It is with great sadness that I inform you that Mrs Proudfoot will be leaving our team at the end of this term. Mrs Proudfoot is a hugely valued member of our team and we will miss her knowledge, expertise and creativity, especially in The Nest and The GAP - outdoor education.

We are delighted to have appointed Mr Baines to join our teaching team from September. Mr Baines is a very experienced teacher, relocating from London and we are looking forward to welcoming him to Burton Bradstock Primary School. I will write to you next week informing you of class teachers for next year ahead of our changeover morning on Tuesday 7th July.

Thank you for all of your support and understanding as we have navigated the challenges of this week's heatwave. The children - and staff - are all very fatigued following such high temperatures and sleepless nights. I hope that the weekend will bring everyone the chance to cool down and catch up on some sleep.

Mrs Varndell-Paulley

Around Our School

Animal Explorers had another amazing visitor! We met the beautiful Miss Tortoise...18 years old and really friendly. Thank you so much to Ellie Ives from Vurlands Animal Farm for coming to see us.

Three Year 6s went to County Hall in Dorchester as part of a Youth Voice event this afternoon with friends from other local schools. They enjoyed visiting the old Crown Court and the Council Chambers. They all spoke very eloquently about the benefits of community to young people and how our community spaces might be improved.

Owls and Kingfishers had a wonderful morning on their river project. They enjoyed finding out about the River Bride, a chalk river, and how we can look after our local environment.

Children had lots of new opportunities during the hottest day so far this year! ☀️ There was potion making, Bee bots coding, time together across the year groups being creative, an amazing Guitar serenade at the foot spa and of course lots and lots of water play
