A note from our head

It has been wonderful to welcome the children back to school this week, smiling, enthusiastic and ready to embrace a new year of learning. Children are settling into their classes well and have enjoyed meeting up with their friends after their summer break.

Class letter and curriculum information will be sent out next week. Please take time to familiarise yourself with class routines and expectations, some of these have changed.

I know from experience that a successful, happy school depends on us all working together - children, staff, families and the wider community. Communication is key to us working together and I welcome the opportunity to speak with you. Should you have any concerns, queries or comments, please do speak with me on the gate or via email (office@burtonbradstockprimary.org).

Have a great weekend!

Mrs Varndell-Paulley
